Historic Trust Docket:

Director's Report:

Mr. Martin updated the Council on the following:

- Housing Program:

- Current Events:
Mr. Martin informed the Council that due to installation of a new sprinkler system at the Deepwells House the Deepwells Historical Society had to cancel this year's Fall Fair. The Deepwells Historical Society do plan to sponsor the Fall Fair again next year.

Project Review:

Recommended Unlisted Actions:

- A. Proposed Acquisition of Land by the County of Suffolk for Open Space Preservation Purposes Known as the William and Antoinette Smith Property, Located in the Swan River County Park Area, Town of Brookhaven.

Lauretta Fischer, Principal Environmental Analyst for the Suffolk County Department of Economic Development and Division of Planning & Environment gave a presentation regarding the acquisition of 1.60± acres of land by Suffolk County for open space preservation purposes. Mr. Kaufman made a motion to recommend classification of the proposed project as an Unlisted Action with a Negative Declaration. Ms. Gowney seconded the motion. Motion Carried.

- B. Proposed Rehabilitation of Drainage System for Storm Water Remediation, North Fork Preserve, Northville, Town of Riverhead

Christopher Poelker, Junior Civil Engineer with the Suffolk County Department of Public Works, Gilbert Anderson, Commissioner of the Suffolk County Department of Public Works and Bill Colavito, Principal Civil Engineer, Suffolk County Department of Public Works gave a presentation on the project stating that it involves the rehabilitation of a drainage system for stormwater remediation for the North Fork Preserve, Northville, Town of Riverhead. The project includes the replacement of the failing pipe system that conveys water from the North Fork Preserve to the Long Island Sound and the installation of leaching basins to contain roadway runoff.

Based on the information received and presented, the Council determined that the project plans were preliminary in nature and needed to be finalized before a SEQRA determination is made for the project.

It was also determined that the Council would send a letter to the Department of Public Works stating that the CEQ conceptually approves the proposed project and that the project plans, when finalized, shall be resubmitted to the CEQ so that they can be reviewed and receive a formal SEQRA recommendation.

Mr. Kaufman made a motion to send a letter to the Department of Public Works stating that the CEQ conceptually approved the proposed project but the reviewed project plans were preliminary in nature and shall be finalized and resubmitted to the CEQ so that the project can receive a formal SEQRA Recommendation. Ms. Growney seconded the motion. Motion Carried.

Recommendations for LADS Report:

A. Recommendations for Legislative Resolutions Laid on the Table July 30, 2013.

Mr. Corral noted that the staff's SEQRA recommendations are listed on the LADS report. Mr. Corral noted that one of the introductory resolutions on the LADS report, IR 1692-2013 - Establishing Guidelines for the Use of Methoprene in Suffolk County, was classified in the introductory resolution as a Type II action but it is staff's recommendation that pursuant to 6 NYCRR 617.10(d)(4) that this resolution should be classified as a Type I action and that a supplemental EIS be submitted to CEQ.

It was stated that staff made this recommendation because it appears that IR 1692-2013 would represent a significant change to the 2007 Vector Control Plan. It was noted that pursuant to 6 NYCRR 617.10(d)(4) a supplement EIS must be prepared if a proposed change was not addressed in the FGEIS and if that change may have one or more significant adverse environmental impacts.

The SEQRA Recommendation for IR 1692-2013 was discussed in detail by the CEQ. This discussion included information presented by the resolution's sponsor, Legislator Jay Schneiderman as well as Dominick Ninivaggi, Superintendent, Suffolk County Department of Public Works, Division of Vector Control and Gilbert Anderson, Commissioner, Suffolk County Department of Public Works.

Mr. Kaufman made a motion to accept staff recommendations as presented for the July 30, 2013 Legislative Resolutions. The motion was seconded by Mr. Gulbransen. Motion carried.

Other Business:

Presentation given by Larry Swanson on the Sewage Treatment Plant for Stony Brook University

RE: CEQ Review of the Proposed Acquisition of Land for Open Space Preservation Purposes
Known as the William and Antoinette Smith Property, Located in the Swan River County
Park Area, Town of Brookhaven

At its August 21, 2013 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Laretta Fischer, Principal Environmental Analyst with the Suffolk County Department of Economic Development and Planning, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 37-2013, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 37-2013 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.

RE: CEQ Review of the Recommended SEQRA Classifications of Legislative Resolutions
Laid on the Table July 30, 2013

At its August 21, 2013 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, the Council recommends to the Suffolk County Legislature and County Executive in CEQ Resolution No. 39-2013, a copy of which is attached, that the enclosed list of legislative resolutions laid on the table July 30, 2013, be classified pursuant to SEQRA as so indicated in the left hand margin. The majority of the proposed resolutions are Type II actions pursuant to the appropriate section of Title 6 NYCRR Part 617.5, with no further environmental review necessary. Unlisted and Type I actions require that the initiating unit of County government prepare an Environmental Assessment Form (EAF), or other SEQRA documentation and submit it to the CEQ for further SEQRA review and recommendations.

Enclosed for your information is a copy of CEQ Resolution No. 39-2013 setting forth the Council's recommendations along with the associated list of legislative resolutions. If the Council can be of further help in this matter, please let us know.

RE: CEQ Review of the Proposed Acquisition of Land for Open Space Preservation Purposes
Known as the William and Antoinette Smith Property, Located in the Swan River County
Park Area, Town of Brookhaven

At its August 21, 2013 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Laretta Fischer, Principal Environmental Analyst with the Suffolk County Department of Economic Development and Planning, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 37-2013, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 37-2013 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.
